SELECTED LIST OF BOOKS ON ENTOMOLOGY

The accompanying list of references of books dealing with entomology has been selected by the Library of the Bureau of Entomology and Plant Quarantine as representative of some of the more readily obtainable publications on insects. It is not intended to be complete nor is endorsement given to the various publications listed.

Historical

Essig, E. O. A history of entomology. 1029 pages. Published by the Macmillan Company, New York, 1931. Price \$10.

Howard, L. O. Fighting the insects; the story of an entomologist. 333 pages. Published by the Macmillan Company, New York, 1933. Price \$2.50.

Howard, L. O. A history of applied entomology (somewhat anecdotal) with 51 plates. 564 pages. Published by the Smithsonian Institution, City of Washington, 1930. (Smithsonian Miscellaneous Collections, v. 84) Price \$2.25.

Osborn, Herbert. Fragments of entomological history, including some personal recollections of men and events. 394 pages, illus. Published by the author, Columbus, O., 1937. Price \$5.

Weiss, H. B. The pioneer century of American entomology. 320 pages. Published by the author, New Brunswick, N. J., 1936. Price \$4.25.

Wilson, H. F., and Doner, M. H. The historical development of insect classification. 133 pages, illus. Planographed by John S. Swift Company, Inc., St. Louis, Chicago, [etc.] 1937. Price \$4.50.

General

Bouvier, E. L. The psychic life of insects. Translated by L. O. Howard... 377 pages. Published by the Century Company, New York, 1922. Price \$2.

Comstock, J. H. An introduction to entomology. Ninth edition revised [by Glenn W. Herrick]. 1064 pages, illus. Published by the Comstock Publishing Company, Inc., Ithaca, N. Y. 1940. Price \$5.

Duncan, C. D., and Pickwell, Gayle. The world of insects. 409 pages, illus. Published by McGraw-Hill Book Company, Inc., New York and London, 1939. Price \$3.50.

- Essig, E. O. Insects of western North America. 1035 pages, illus. Published by the Macmillan Company, New York, 1926. Price \$10.
- Folsom, J. W. Entomology with special reference to its ecological aspects... revised by R. A. Wardle... 4th rev. ed. 605 pages, illus. Published by P. Blakiston's Sons and Co., Inc., Philadelphia, [c1934]. Price \$4.
- Howard, L. O. The insect book. 429 pages, illus. Published by Doubleday, Doran and Company, Inc., Garden City, N. Y., 1937. (New Nature Library.) Price \$5. (Originally published in 1901.)
- Imms, A. D. A general text book of entomology, including the anatomy, physiology, development and classification of insects. 3d ed., rev. and enl. 727 pages, illus. Published by E. P. Dutton and Company, New York, 1934. Price \$10.50. (First published by Methuen and Company, Ltd., London, 1934. Price 36s.)
- Kellogg, V. L. American insects. 2d ed. rev. 694 pages, illus. Published by Henry Holt and Co., New York, 1908. (American Nature Series. Group I.) Price \$5.
- Lutz, F. E. Field book of insects of the United States and Canada. 3d ed. 510 pages, illus. Published by G. P. Putnam's Sons, New York, 1935. Price \$3.50.
- Matheson, Robert. A laboratory guide in entomology for introductory courses. 135 pages, illus. Published by the Comstock Publishing Company, Inc., Ithaca, N. Y., 1939. Price \$2.
- Morgan, A. H. Field book of ponds and streams. An introduction to the life of fresh water. 448 pages, illus. Published by G. P. Putnam's Sons, the Knickerbocker Press, New York and London, 1930. Price \$3.50.
- Needham, J. G., and Lloyd, J. T. The life of inland waters; an elementary text book of fresh-water biology for students. 3d ed. 438 pages, illus. Published by the Comstock Publishing Company, Inc., Ithaca, N. Y., 1937. Price \$3.
- Osborn, Herbert. Meadow and pasture insects. 288 pages, illus. Published by the Educators' Press. Columbus, Ohio, [c1939]. Price \$3.75.
- Snodgrass, R. E. Insects, their ways and means of living. 362 pages, illus. Published by Smithsonian Institution Series, Inc., New York, 1930. (Smithsonian Scientific Series v. 5) Price \$12.50.
- Snodgrass, R. E. Principles of insect morphology. 667 pages, illus. Published by the McGraw-Hill Book Company, New York, 1935. Price \$6.
- Wellhouse, W. H. How insects live; an elementary entomology. 435 pages, illus. Published by the Macmillan Company, New York, 1926. Price \$5. (College ed. \$3.90.)

Wheeler, W. M. Social life among the insects... 375 pages, illus. Published by Harcourt, Brace and Company, New York, 1923. Price \$4.

Wigglesworth, V. B. The principles of insect physiology. 434 pages, illus. Published by E. P. Dutton and Company, Inc., New York, 1939. Price \$8. (First published by Methuen and Company, Ltd., London, 1939. Price 30s.)

Economic

Crosby, C. R., and Leonard, M. D. Manual of vegetable garden insects. 391 pages, illus. Published by the Macmillan Company, New York, 1918. (Rural Manuals, ed. by L. H. Bailey.) Price \$3.

Doane, R. W. Forest insects; a textbook for the use of students in forest schools, colleges and universities, and for forest workers, by R. W. Doane ... E. C. Van Dyke ... W. J. Chamberlin [and] H. E. Burke. 463 pages, illus. Published by McGraw-Hill Book Company, Inc., New York and London, 1936. (American Forestry Series, W. Mulford, consulting editor.) Price \$4.50.

Ewing, H. E. A manual of external parasites... 225 pages, illus. Published by C. C. Thomas, Springfield, Ill., Baltimore, Md., 1929. Price \$4.50.

Graham, S. A. Principles of forest entomology. 2d ed. 410 pages, illus. Published by McGraw-Hill Book Company, Inc., New York and London, 1939. Price \$4.

Herrick, G. W. Insect enemies of shade trees. 417 pages, illus. Published by the Comstock Publishing Company, Ithaca, N. Y., 1935. Price \$5.

Herrick, G. W. Insects injurious to the household and annoying to man. Rev. ed. 478 pages, illus. Published by the Macmillan Company, New York, 1926. (Rural Science Series.) Price \$3.

Howard, L. O. The insect menace. 347 pages, illus. Published by the Century Company, New York and London, 1931. Price \$3.50.

Leach, J. G. Insect transmission of plant diseases. 615 pages, illus. Published by McGraw-Hill Book Company, Inc., New York and London, 1940. Price \$6.

Martin, Hubert. The scientific principles of plan protection; with special reference to chemical control. [3d ed.] 385 pages. Published by Longmans, Green and Company, New York, 1940. Price \$7. (First published by Edward Arnold and Company, London, [1940]. Price 22s. 6d.)

- Metcalf, C. L., and Flint, W. P. Destructive and useful insects; their habits and control. 2d ed. 981 pages, illus. Published by McGraw-Hill Book Company, Inc., New York, and London, 1939. Price \$7.50.
- Quayle, H. J. Insects of citrus and other subtropical fruits. 583 pages, illus. Published by the Comstock Publishing Company, Inc., Ithaca, N. Y., 1938. Price \$5.
- Sanderson, E. D. Insect pests of farm, garden and orchard... Third edition revised and enlarged by Leonard Marion Peairs. 468 pages, illus. Published by John Wiley & Sons, Inc., New York, 1931. Price \$4.50.
- Slingerland, M. V., and Crosby, C. R. Manual of fruit insects. 503 pages, illus. Published by the Macmillan Company, New York, 1924. (Rural Manuals, ed. by L. H. Bailey.) Price \$3.50. (First issued in 1914.)
- Snyder, T. E. Our enemy the termite. 196 pages, illus. Published by the Comstock Publishing Company, Ithaca, N. Y., 1935. Price \$3.
- Wardle, R. A., and Buckle, Philip. The principles of insect control... 295 pages, illus. Published by the Manchester University Press, London, New York, Longmans, Green and Co., 1923. Price \$6.

Medical

- Herms, W. B. Medical entomology; with special reference to the health and well-being of man and animals... 3d ed. Based on the book known as "Medical and veterinary entomology." 582 pages, illus. Published by the Macmillan Company, New York, 1939. Price \$5.50.
- Matheson, Robert. Medical entomology. 489 pages, illus. Published by C. C. Thomas, Springfield, Ill., Baltimore, Md., 1932. Price \$5.
- Monnig, H. O. Veterinary helminthology and entomology... 2d ed. 409 pages, illus. Published by Williams and Wilkins Company (Waverly Press), Baltimore, 1938. Price \$9. (First published by Balliere, Tindall and Cox, London, 1938. Price 30s.)
- Pierce, W. D., editor. Sanitary entomology; the entomology of disease, hygiene and sanitation. 518 pages, illus. Published by Richard G. Badger, Boston, [c1921]. Price \$10.
- Riley, W. A., and Johannsen, O. A. Medical entomology; a survey of insects and allied forms which affect the health of man and animals... 2d ed. 483 pages, illus. Published by McGraw-Hill Book Company, Inc., New York and London, 1938. Price \$4.50.
